# HomeOwnership Opportunities

All over America, individuals with developmental disabilities own their own homes. If homeownership is something, you truly want, we can assist you!

The Arc Homeownership Specialist will help you develop a plan for purchasing your home through our "person-centered" approach. This means we will honor your individuality, focus on your strengths and aspirations, and allow you to be a full participant in planning for home ownership.

You will learn about the assistance programs that are available in the Spokane area. You will receive support while you learn how to:

- Qualify for a mortgage
- Prepare your loan application
- Shop for just the right house for you
- Manage your finances
- Maintain your home once you are a borneowner

Homeowners Larry Deron and Wayne Jack Genter and right) with their roommate Jim Leighton.

#### To be eligible an applicant must:

- Have a documented developmental disability that is attributed to a mental or physical challenge before the age of 22, which is likely to continue indefinitely and results in substantial functional limitations of three or more major life activities, such as self-care, learning, mobility, etc.
- Meet household income requirements to qualify through the funding and down payment assistance programs.
- Purchase a new or existing single-family home or condominium in the Spokane area.

We will assist you in developing an action plan that will break down the complex tasks of homeownership into manageable pieces. Your plan will be implemented over months or even years until you reach your goal of homeownership.

You'll love the feeling of having a home that is all yours!
